There is no compulsion in religion. Verily, the Right Path has become distinct from the wrong path. Whoever disbelieves in Taghut and believes in Allah, then he has grasped the most trustworthy handhold that will never break. And Allah is All-Hearer, All-Knower.

Allah is the Wali (Protector or Guardian) of those who believe. He brings them out from darkness into light. But as for those who disbelieve, their Auliya (supporters and helpers) are Taghut [false deities and false leaders, etc.], they bring them out from light into darkness. Those are the dwellers of the Fire, and they will abide therein forever.

And whoever disbelieves in the Ayat (proofs, evidences, verses, signs, revelations, etc.) of Allah, then surely, Allah is Swift in calling to account.

So if they dispute with you (Muhammad SAW) say: "I have submitted myself to Allah (in Islam), and (so have) those who follow me." And say to those who were given the Scripture (Jews and Christians) and to those who are illiterates (Arab pagans): "Do you (also) submit yourselves (to Allah in Islam)?" If they do, they are rightly guided; but if they turn away, your duty is only to convey the Message; and Allah is All-Seer of (His) slaves.

It was We who revealed the law (to Moses): therein was guidance and light. By its standard have been judged the Jews, by the prophets who bowed (as in Islam) to Allah's will, by the rabbis and the doctors of law: for to them was entrusted the protection of Allah's book, and they were witnesses thereto: therefore fear not men, but fear me, and sell not my signs for a miserable price. If any do fail to judge by (the light of) what Allah hath revealed, they are (no better than) Unbelievers.

Tribunal under the Spanish monarchy, for upholding religious orthodoxy in their realm Consisted of a Grand Inquisitor, who headed the Council of the Supreme and General Inquisition, made up of six members. Under it were up to 21 tribunals in the empire.
The regulation of the faith of newly converted Catholics was intensified following royal decrees issued in 1492 and 1502 ordering Jews and Muslims to convert to Catholicism or leave Castile, resulting in hundreds of thousands of forced conversions, the persecution of conversos and moriscos, and the mass expulsions of Jews and of Muslims from Spain...////Moors, members of the Muslim population of Spain and Portugal, ruled most of the Iberian Peninsula starting in the 8th century. Christian states spent several centuries working to expel the Moors from the Iberian Peninsula, a campaign called the Reconquista.////

Continued military funding for Israel amid Gaza invasion........
The United States is by far the biggest funder of the Israeli military, providing more than $3bn in aid annually.,besides financial grants ,and many other hidden concessions, Presently, US is sending an additional $14bn to support Tel Aviv's genocidal,నరసంహార\నరరూపరాక్షస,\నర్త\operations in Gaza.
Washington sent guided-missile carriers and F-35 fighter jets, as well as other military equipment to Tel Aviv in the immediate aftermath of Hamas's October 7 attacks on Israel, and Tel Aviv's subsequent declaration of war on the Gaza Strip. Some 68 percent of Israel's weapons imports between 2013 and 2022 came from the US.
Tel Aviv also relies on German weapon imports, primarily air defence systems and communications equipment. In total, Germany provides 28 percent of Israel's military imports, although that rose nearly tenfold between 2022 and 2023 after Berlin ramped up sales to Israel in November.
The United Kingdom, Canada, France and Australia among others also

Friday called for their countries to stop selling weapons to Tel Aviv citing "violations of international law" as Israel's relentless bombardment of Gaza has killed more than 30,000 people, most of them civilians.
At least 112 Palestinians have been killed and more than 750 wounded after Israeli troops opened fire on hundreds waiting for food aid southwest of Gaza City.
A convoy of 31 trucks entered Gaza but nearly 20 entered the north on Monday and Tuesday.

As people gathered in large groups waiting for much-needed aid, they were shot at by all kinds of military equipment, Al Jazeera's Hani Mahmoud, reported from Rafah. According to a report by the Associated Press, people pulled boxes of flour and canned goods off the trucks.

After the first round of shooting stopped, people returned to the trucks, only for the soldiers to open fire once more.

"After opening fire, Israeli tanks advanced and ran over many of the dead and injured bodies," Al Jazeera's Ismail al-Ghoul said,
